

# PADDED PROTECTION & COMFORT WORK MAT

The padded and portable Tough-As Work Mat is your best support for protecting your body on hard, wet or rough surfaces. Available in four sizes ranging from a kneeling mat, up to a full-size mechanical mat to lie on, you can protect your knees and back from harsh surfaces.

Avoid injuries by reducing contact with hard and sharp objects, this versatile mat also helps you work cleaner and more efficiently. You'll wonder how you got through your day before you had a Tough-As Work Mat. Constructed with a superior PVC heavy duty outer and lightweight high-density closed-cell foam inner the Work Mat is fully welded to ensure it will not come apart. It's resistant to chemicals, punctures and tears and is easily cleaned and stored ready for the next job. Our workmanship carries a 100% warranty for the life of the Work Mat. **It's Tough-As.**

## THE TOUGH-AS LIFETIME GUARANTEE

We're so confident that the Work Mat has been made Tough-As that we 100% guarantee our workmanship for the life of the product.

## FEATURES

- Fully welded construction – guaranteed not to come apart
- Made with quality high-density closed-cell foam inner
- Reduces pressure to the body's joints
- Work on any hard, wet or rough surface while protecting your body and clothes
- Heavy duty waterproof PVC outer
- Chemical spills wipe off easily
- Keeps parts and tools free from contamination for top quality work
- Heat resistant and fire retardant
- UV stable for long life
- Puncture and tear resistant
- Light weight and portable
- Easy folding for storage and transport
- Body slides easily over gloss finish
- Easy to wipe clean

## CLEAN SLATE

The Tough-As Work Mat features a waterproof PVC exterior which helps dirt slide right off. A dry cloth is generally all that is needed to clean the Work-Mat, but use warm soapy water or even a pressure cleaner if it's been a really dirty day.

## WORK HEALTH & SAFETY

Spare your joints.

The Tough-As Work Mat is designed to create a safe work-space and provide protection from the rigours of manual labour and working on hard or dirty ground.

The padded Tough-As Work Mat provides a safe cushion for the knees, back and hips and reduces the likelihood of injury caused by pressure to the body and joints.
